ElderPride is an intergenerational 2SLGBTQ+ program. This event is open to 2SLGBTQ+ folx age 16+ who wish to connect across generations, with a focus on adults age 50+! ElderPride holds monthly socials at Odell Lodge that include a shared meal and activity.

ElderPride is a new intergenerational social program for 2SLGBTQ+ older adults funded through the New Horizons for Seniors Program. 2SLGBTQ+ elders will have opportunities to share their wealth of knowledge and lived experience and engage in intergenerational mentorship – all in a fun and relaxed environment. ElderPride hopes to create a space for social connections, community-building, and creativity.
